DICE POPULI — DICEY WATERS

The interface shows a multi-track DAW layout. On the left, a track list includes 'EPISODE 1', 'RYAN', 'PATRICK', 'MUSIC', and 'SOUND EFFECTS', each with a solo, mute, and trim button. The main workspace features a timeline from 0:00 to 0:12. Tracks for 'RYAN-COLOR.wav' and 'PAT-COLOR.wav' are visible with their respective waveforms. A large speech bubble graphic is overlaid on the RYAN track, and another is on the PAT track. A vertical line is positioned at approximately 0:07.897.

0:07.897

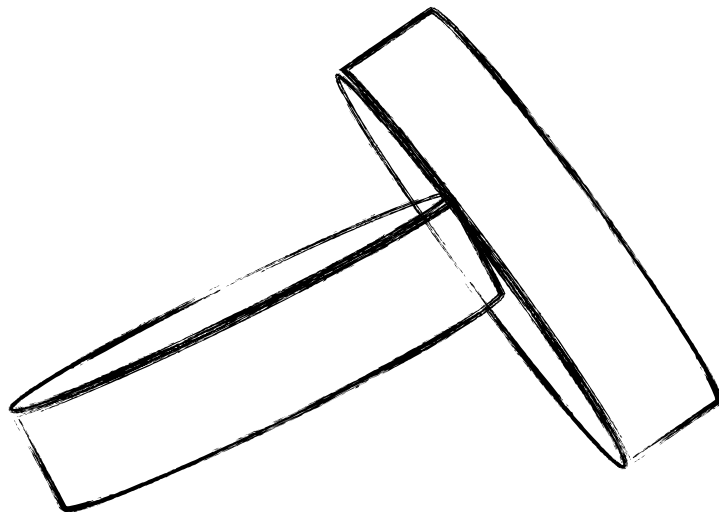

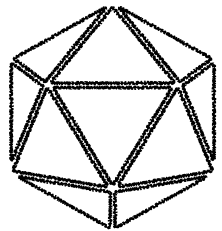

The mixer interface displays 12 channels, labeled MASTER, 1, 2, 3, 4, 5, 6, 7, 8, 9, 10, 11, and 12. Each channel has a gain knob (ranging from -inf to 0.00), a pan knob (ranging from -18 to 18), and a trim knob (ranging from -54 to 0.00). The MASTER channel shows a gain of 0.00dB and a level of -11.2. The mixer also includes 'Route' and 'Trim' buttons for each channel.
